

Financing Solutions For Land & Life

APPLICATION FOR MISSISSIPPI LAND BANK SCHOLARSHIP

Mississippi Land Bank is proud to be able to award \$8,000 in scholarships to college and university students attending schools throughout the association's 32-county territory.

Four scholarships of \$500 each will be distributed through the Mississippi Community College Foundation (MCCF), where a Mississippi Land Bank Scholarship was established in 2005. The \$2,000 fund will provide a \$500 award to a business administration or related business field, forestry or agriculture major.

An additional six scholarships of \$1,000 each will be given to university students pursuing a degree in business or business related field, forestry or agriculture.

ELIGIBILITY

The applicants will be reviewed by the respective schools' selection committees. All scholarships will be awarded on a year-to-year basis. Students who receive a scholarship are eligible for consideration in another year; however, they must still comply with the selection criteria.

Scholarship applicants must be pursuing a degree in business or business-related field, forestry or agriculture; have demonstrated academic achievement; be in good standing at their respective school; and show good moral character and demonstrated leadership ability. Preference will be given to students who are children of current stockholders of Mississippi Land Bank; incoming freshmen; and students from the counties served by the association.

APPLICATION

All applications will be forwarded to the admissions office of the respective college or university. Though preference is given to students who are children of current stockholders of Mississippi Land Bank, the school admission committee will have the ultimate decision on scholarship awards.

SUBMISSION

Please complete the following application and submit all 3 pages to your local branch office, or return to:
